

TABELLA TAGLIE / SIZE CHARTS

Tutti i modelli sono disponibili nelle taglie da bambino e adulto (Contattare l'ufficio commerciale per confermare le disponibilità). Si può ordinare anche in base all'altezza e all'età. Se non conoscete le taglie ANNIEL SPORT, aiutatevi con le tabelle taglie.

Prendete la taglia in base alle misure di petto, vita, fianchi e **spalla/cavallo**. Se tutte le misure non corrispondono alla taglia, prendete la taglia più grande. Nota: la misura spalla/cavallo è la misura più importante da prendere. *Tutte le taglie riportate sono solo una guida di ANNIEL SPORT.*

All models are available for children and adults sizes (Call customer service to confirm it). You can place an order using sizes in height or age sizing. **All sizing will be made according to your country.**

Select the row of measurements that best represents your size. If all your measurements do not fall within the same row, use the row that best represents your largest measurements. Please note: the torso measurement is the most important measurement. Please note that all sizes quoted are for your guidance only. Our size charts should only serve as a general guide in determining sizes since an individual's perception of fit may vary greatly. **All sizing will be made according to your country.**
